

14° Meeting of the Society of Hair Testing 2009

HAIR TESTING IN CLINICAL AND FORENSIC TOXICOLOGY VERSUS TESTING IN OTHER NON INVASIVE BIOLOGICAL MATRICES

June 14-16, 2009

Organized by:
ISTITUTO SUPERIORE DI SANITÀ (ISS)
SOCIETY OF HAIR TESTING (SOHT)

Sunday 14 June

Participants arrival
City Tour
Dinner

Monday 15 June

9.00 Opening
E. Garaci, P. Zuccaro

9.15 Welcome by

S. Pichini
Istituto Superiore di Sanità

P. Kintz
President of Society of Hair Testing

9.30 PLENARY LECTURE:
Non-invasive biological matrices and forensic evidence
S.D. Ferrara

10.00 **SESSION I**
Hair Testing in Forensic Toxicology
Chairs: **C. Jurado, P. Kintz**
Oral presentations on forensic applications of hair testing for drugs of abuse

10.45 Coffee break / Poster session
Chairs: **C. Moore, R. Kronstrand**

11.20 Oral presentations on novel methodologies of hair testing for drugs of abuse
Chairs: **C. Jurado, P. Kintz**

13.00 Lunch

14.00 *Problems most commonly encountered in hair testing and doubts among applications and data Interpretations*
Discussion with the speakers and experts
Moderators: **C. Moore, R. Kronstrand**

15.00 **SESSION II**
Expansion of Drug Profiles in Alternative Matrices
Chairs: **C. Staub, M. Uhl**

Speakers

R. Kingston

An Overview of Ethyl Glucuronide Testing at Concateno TrichoTech

J. Wicks

Drug Testing Using Hair: Addressing Client's Expectations

C. Moore

Oral fluid: Overcoming problems associated with routine analysis

C. Moore

Semi-quantitative Determination of THC in Hair using Immunoassay

J. Gareri

Clinical & Research Applications for Immunoassay in Neonatal Drug Testing

16.30 Business Meeting

Tuesday 16 June

9.00 PLENARY LECTURE:
Hair Testing in Clinical Pharmacology. Interpretation of hair findings in children after methadone poisoning
P. Kintz

9.30 **SESSION III**
Hair testing in clinical pharmaco-toxicology
Chairs: **S. Pichini, R. de la Torre**
Oral presentations

10.30 Coffee break

11.00 PLENARY LECTURE:
Combined use of FAEs and EtG in hair for diagnosis of chronic excessive alcohol consumption. Interpretation and Advantages.
F. Pragst

11.30 **SESSION IV**
Alcohol markers in hair
Chairs: **M. Yegles, F. Pragst**
Oral presentations

12.50 *Discussion of the Consensus of Society of hair testing on hair testing for chronic excessive alcohol consumption*
Moderators: **H. Sachs, P. Kintz**

13.30 Lunch

14.30 PLENARY LECTURE:
Drug testing in other alternative biological matrices
S. Pichini

15.00 **SESSION V**
Other alternative biological matrices
R. Pacifici, A. Luna
Oral presentations

16.00 Conclusions and announcement of awards for the best oral and poster presentations

SPEAKERS and CHAIRPERSONS

R. de la Torre - Institut Municipal d'Investigació Mèdica (IMIM- Hospital del Mar), Barcelona, Spain

J. Gareri - The Hospital of sick children, Toronto, Canada
S.D. Ferrara - Forensic Toxicology and Antidoping, University Hospital of Padova, Italy

C. Jurado - Instituto Nacional de Toxicología, Sevilla, Spain
M. Yegles - Laboratoire National de Santé, Toxicologie, Luxembourg

R. Kingston - Concateno Trichotec, Cardiff, UK

P. Kintz - Presidente SoHT, Laboratoire ChemTox, Illkirch, France

R. Kronstrand - National Board of Forensic Medicine, Linköping, Sweden

A. Luna - Universidad de Murcia, Murcia, Spain
C. Moore - Immunalysis Corporation, Pomona, U.S.A.

R. Pacifici - Istituto Superiore di Sanità, Roma

S. Pichini - Istituto Superiore di Sanità, Roma

F. Pragst - Institute of Legal Medicine, University Hospital Charité, Berlin

H. Sachs - FTC, München, Germany

C. Staub - West Switzerland University Centre of Legal Medicine, Geneva, Switzerland

M. Uhl - Bayerisches Landeskriminalamt, München, Germany

J. Wicks - Drug View Consultancy, Cardiff, UK

P. Zuccaro - Istituto Superiore di Sanità, Roma

Scientific Secretariat

SIMONA PICHINI
Italian National Institute of Health
Department of Therapeutic Research and
Medicines Evaluation
Drug Dependence and Doping Unit
Viale Regina Elena, 299 - 00161 Roma
Tel. +39 06 4990 6545 - Fax + 39 06 4990 2016
simona.pichini@iss.it

PASCAL KINTZ
Laboratoire ChemTox,
3 rue Gruninger - 67400 Illkirch, France
Tel: + 33 390 400 540
Pascal.kintz@wanadoo.fr

Organizing Secretariat

DONATELLA MATTIOLI
Italian National Institute of Health
